Notes from meeting of Teacher Education Pathways Committee

- Responses to concerns from various campuses to the work of our committee were shared.

- We continued to identify our three courses. The last time we had decided on Social Foundations and Child Development. We decided to add a course in Arts Education which will fulfill NY State certification. The courses we will propose then, are:
  - Social Foundations of Education
  - Psychological Foundations (Child Development Birth to Grade 6)
  - Arts in Education

- We broke into two groups to identify learning outcomes for Social Foundations and Child Development courses. We decided that outcomes will be expressed using active verbs.

- Next steps:
  - We decided to collect syllabi on Arts courses and forward them to Jen.
  - We will circulate the course objectives we have written among the committee.
  - Our next group meeting will be on February 3rd from 10-12 at the Graduate Center.
