Committee members present: Candy Dato (Chair), MaryEllen McMorrow, Jacqueline Nichols

After a review and discussion of updated grids developed by the committee, it was decided that the required entry courses for the nursing programs within CUNY should be:

   - English Composition: minimum 7 credits
   - Anatomy & Physiology I: minimum 4 credits
   - Anatomy & Physiology II: minimum 4 credits
   - Mathematic Course, which includes ratio, proportion & differential analysis
   - Introduction to Psychology

Outcomes for the courses, which are part of the core were reviewed. Outcomes will be developed via e-mail and discussed at the next meeting.

Next meeting scheduled for February 17, 2012 at 10am at the BMCC.

Respectfully submitted,

MaryEllen McMorrow
