

## **CAT Researchers**

Robert Alfano - Distinguished Professor of Science and Engineering, City College.

Samir Ahmed - Herbert G. Kayser Professor of Electrical Engineering, City College.

Mohamed Ali - Professor of Electrical Engineering, City College.

Neo Antoniadis - Assistant Professor of Electrical Engineering, College of Staten Island.

Mark Arend - Assistant Professor of Electrical Engineering, City College.

Stuart Asser - Professor/Chair of Electrical and Computer Technology, Queensborough Community College.

Valeria Balogh-Nair - Professor of Chemistry and Biochemistry, City College.

Ying-Chih Chen - Professor of Physics, Hunter College.

Zhonghui Chen - Assistant Professor of Physics, Brooklyn College.

David Crouse - Assistant Professor of Electrical Engineering, City College.

Lev Deych - Assistant Professor of Physics, Queens College.

Roger Dorsinville - Professor of Electrical Engineering, City College.

Charles Drain - Associate Professor of Chemistry, Hunter College.

Georgios Ellinas - Associate Professor of Electrical Engineering, City College.

Harry Gafney - Director, CAT; Professor of Chemistry, Queens College.

Swapan Gayen - Associate Professor of Physics, City College.

Azriel Genack - Distinguished Professor of Physics, Queens College.

Anshel Gorokhovskiy - Professor of Physics, College of Staten Island.

Paul Gottlieb - Assistant Professor of Microbiology and Immunology, City College.

Steven Greenbaum - Professor of Physics and Astronomy, Hunter College.

Ping-Pei Ho - Professor of Electrical Engineering, City College.

Todd Holden - Assistant Professor of Physics, Brooklyn College.

Leslie Isaacs - Professor of Chemical Engineering, City College.

Shi Jin - Assistant Professor of Chemistry, College of Staten Island.

Igor Kuskovsky - Assistant Professor of Physics, Queens College.

Matthias Lenzner - Associate Professor of Physics, City College.

Lihong Li - Assistant Professor of Engineering Science and Physics, College of Staten Island.

Hiroshi Matsui - Associate Professor of Chemistry, Hunter College.

Vinod Menon - Assistant Professor of Physics, Queens College.

Fred Moshary - Associate Professor of Electrical Engineering, City College.

Ralf Peetz - Assistant Professor of Chemistry, College of Staten Island.

Vladimir Petricevic - Associate Professor of Physics, City College.

Yuhang Ren - Professor of Physics and Astronomy, Hunter College.

Ali Sadegh - Professor of Mechanical Engineering, City College.

Kai Shum - Professor of Physics, Brooklyn College.

Gillian Small - Associate Professor of Biology, City College;  
University Dean of Research, CUNY

Maria Tamargo - Professor of Chemistry, City College.

Martin Telting-Diaz - Associate Professor of Chemistry, Brooklyn College.

Jiufeng Tu - Professor of Physics, Brooklyn College

Raymond Tung - Professor of Physics, Brooklyn College.

Eleanore Wurtzel - Professor of Biology and Biochemistry, Lehman College.

Nan-Loh Yang - Professor of Chemistry, College of Staten Island.

Alexander Zaitsev - Associate Professor of Physics, College of Staten Island.

Shuiqin Zhou - Associate Professor of Chemistry, College of Staten Island.
