Introduction

This anonymous survey is designed to assess your perceptions of campus safety; access to information and resources about sexual harassment and sexual violence; knowledge of university policies and practices; and experiences with sexual harassment and sexual violence on campus or at off-campus CUNY-affiliated events. The survey will be open from March 29, 2016 through April 21, 2016 and it will take between 10 and 20 minutes to complete. Please note: you must be 18 years of age or older to participate.

Please be advised that some survey questions ask for personal experiences with sexual misconduct. You may skip any question you are not comfortable answering and you may exit the survey at any time. All responses are anonymous and cannot be traced back to you. If you have any questions about the survey, please send an email to CampusClimateSurvey@cuny.edu.

If you would like information on the issues contained in this survey, please go to CUNY’s Combating Sexual Misconduct website. This site provides access to resources and contact information at your college as well as links to community-based and on-line resources. Your college web page provides contact information for the Title IX Coordinator on your campus, a staff member with special training in helping students who are facing issues related to sexual harassment and sexual violence. The link to this website appears again at the end of the survey.

Daily Raffles for MetroCards with a Value of $65

All students who complete the survey are eligible to enter one of 24 daily raffles for a MetroCard with a value of $65. You will be able to enter the raffle from a website separate from the survey so that your survey responses remain anonymous. You may only participate in the raffle for the day you complete the survey and you are limited to one raffle entry. See additional details at the end of the survey.

If you would like to elaborate upon any of your survey responses, further describe your experiences, or offer additional thoughts about these issues or this survey, we encourage you to do so in the space provided below.
All students who complete the survey are eligible to enter into one of 24 daily raffles for a MetroCard with a value of $65. All raffle winners will be randomly selected. From March 29, 2016 to April 4, 2016 there will be a daily raffle for fifteen $65 MetroCards. From April 5, 2016 to April 11, 2016 there will be a daily raffle for seven $65 MetroCards. And, from April 12, 2016 to April 21, 2016 there will be a daily raffle for two $65 MetroCards. You may only participate in the raffle for the day you complete the survey and you are limited to one raffle entry.

You will be required to provide your college email address to enter the raffle and that email address will be entered into the raffle. The raffle website is not connected to the sexual violence campus climate survey and so your responses to the survey will remain anonymous.

Winners will be notified on the day of the applicable raffle to the email address they give at the raffle website.

B98 Would you like to participate in a daily raffle for MetroCards with a value of $65?

Getting Help and Stopping Sexual Violence on Campus:

If you would like information on the issues contained in this survey, please go to CUNY’s Combating Sexual Misconduct website. This website provides resources and contact information for all CUNY campuses; the website also includes community-based and on-line resources. You can link to your college’s web page which provides contact information for our Title IX Coordinator, a staff member with special training in helping students who are facing issues related to sexual harassment and sexual violence. You can also learn about how to report an incident, how to get medical or emotional support, confidentiality, and ways you can help stop sexual violence on campus. The web pages also contain links to important CUNY policies regarding sexual misconduct.

NOTICE: You can delete this survey in its entirety from your computer by deleting your own web browsing history. Instructions are available at www.computerhope.com/issues/ch000510.htm.
